LETTER OF CERTIFICATION

We are pleased to inform you that in accordance with the terms and conditions of the National IT Evaluation Scheme (NITES), the evaluation of the submitted Target of Evaluation (TOE) and the evidence adduced has been successfully completed by the accredited test laboratory, and the security claims as specified in the Security Target have been assessed by the accredited test laboratory to be fulfilled.

Please be reminded this certification applies only to the specific version and release of the IT product in its evaluated configuration. This certificate is not an endorsement of the IT product by NITES, and no warranty of the IT product by NITES, is either expressed or implied.

The entire right, title and interest (including without limitation intellectual property rights) in and to any and all trademarks and logos of the Certification Body and NITES (collectively the "NITES IP") belong to CSA. Sponsors, developers and CCTLs shall comply with any applicable guidelines in the NITES Publications or issued by CSA from time to time regarding the use of any of the NITES IP. Approval from the Certification Body is to be sought for any publicity pertaining to the NITES certification for this product.
